

Looking for a little help clearing your driveway this winter? The **Sturgeon Heights Snow Angels** are here to help!

Let us know why clearing your snow is extra difficult and we will gladly take that daunting winter task off of your hands.

The Sturgeon Heights Snow Angels service is completely free, and offered through a generous funding grant for equipment and kind-hearted volunteer efforts of students at Sturgeon Heights Collegiate. It is meant to help our community's aging population, persons with disabilities or families in need of an extra helping hand.

If you'd like your driveway cleared ASAP, or want to be added to our list for any upcoming heavy snow days, please email **eric.vincent@sjasd.ca** with your name and address and we will get back to you within 24 hours to schedule an appointment or add you to our list of regulars.
