

## **ADDITIONAL ACCOMODATIONS FOR IN-CLASS STUDIES BEGINNING SEPTEMBER 28**

Thank-you parents, students and teachers for your patience, flexibility, compassion, and kindness as we focus on continuing to provide our unique academic, arts, athletics and educational programming in the middle of a pandemic--both remotely and at school, while implementing Public Health and Safety Protocols!

Although we are at full capacity in most cases, on September 28, we will allow small groups of students on their home study day to attend specific in-school classes where we can maintain Public Health procedures due to small class size or larger classroom sizes.

Students will attend designated classes only on these days and will have to leave the school when not in class. Some exceptions may apply for bus students attending study spaces.

Teachers will need to adjust synchronous remote learning expectations in the cases where students are travelling to and from school.

The approved classes are typically in specialty areas and/or those classes (Arts / IB) that follow a year-long alternating day pattern in the timetable—more of these all-year courses are scheduled in Grades 11/12. The list may look long but on average only brings in an additional 25 students per class period across the school.

These classes include:
