MANITOBA CAREER FAIR

CONNECT ENGAGE EXPLORE

IT'S **VIRTUAL**

The Manitoba Career Fair is a virtual event, hosted by Manitoba Career Prospects and organized by the Manitoba Tourism Education Council. This event will help fill the void of cancelled and postponed career fairs the past two years as a result of social distancing efforts.

The purpose is to help students, parents and educators discover and learn more about the thousands of career opportunities in Manitoba in a multitude of industries. Information about industry trends, major employers and education options will also be available.

Exhibitors, live stream events, keynote address and a fun scavenger hunt are all organized to maximize engagement and learning opportunities.

KEYNOTE ADDRESS

Brianne Harris, Pilot

Brianne's path to become a Captain with over 3000 flight hours started with the realization university wasn't for her. Her sights were set high above the clouds and after researching flight schools she enrolled and completed her flight training at St. Andrews Airport. Brianne recently completed her Airline Transport Pilot Licence (ATPL) and awarded a Captain position on the Dash 8 with Perimeter Aviation. Find out more about Brianne's career journey at the Luncheon Keynote.
