

InformNet - Manitoba's Online High School - offers full-credit online courses for students within the school year and an **online summer session** from **July 2 - 29, 2024**, inclusive.

Summer session courses are open to all students in Manitoba. We offer:

- **Repeater courses** – for students who have not successfully completed a course(s) during the regular academic year or wish to improve their passing grade.
- **Non-repeater course** – full course options for grades 10 to 12. *Note: Courses with provincial exams are not available to students yet to graduate.*

## FEES

- Repeater courses are **\$250 per course**.
- Non-repeater courses are **\$500 per course**.

*Invoices are emailed from PayPal. You don't need a PayPal account to settle the invoice.*

## Summer Session Refund Policy

- Up to July 4, 2024 - full refund available.
- July 5, 2024, and onwards - no refund issued.

**Please ensure that all course payments are completed by July 2, 2024.** *Note: Any unpaid invoices will be canceled after July 4, 2024, leading to the removal of students from their registered courses on July 5, 2024.*

Due to time restrictions and the heavy workload associated with this level of course commitment, students can not register for more than 4 repeater classes or 2 non-repeater classes.

- Students who choose **non-repeater courses** should plan to allocate up to **four hours per day**, per course.
- Students who choose **repeater courses** (students need to have previously taken and completed the course and want to improve their mark) need to allocate **two hours a day**, per course.
